Dear chess friends,

The European Chess Union office has received a request by WGM Ekaterina Atalik regarding the right of registration and participation at the European Individual Women's Championship in Belgrade. Enclosed you will find the copy of this request. This issue was discussed at the ECU Board meeting in Legnica and the Board decided to contact you before reaching the final decision.

Therefore, we are kindly asking you to answer the following two questions at your earliest convenience:

- 1) What is your opinion with relation to Mrs. Atalik's request?
- 2) Do you consent to her participation at the mentioned tournament under the ECU flag?

We are looking forward to your reply.

Best regards,

Sava Stoisavljevic

ECU Secretary General
