Dear Sava,

TCF management has tried to make meeting with Mrs. Atalik related sport matters two times. But our positive approach was declined by Mrs. Atalik. Consequently TCF management can not accept her participation in any competition under any other flag. It is inadmissible for us. As you know that if the players would like to change her flag she can apply via normal procedure of FIDE. We will be happy to accept her application for the changing the flag.

We believe that ECU will respect to our decision.

Best Regards,
Yasin
